

I was wondering if you could ask Kaede-kun if he'd go on a date with me.

I do have a favor to ask of you, Anis...

SHE'S ONE OF MY FRIENDS. YOU KNOW? SO WHAT KIND OF FRIEND WOULD I BE IF I DIDN'T WANT TO HELP HER OUT?

.....
Just be a man and go out with her, Kaede!

Mkage-chan did your portrait assignment too, remember?

Your wish is my command, Dominion.

AND WHAT WAS WITH THAT LOOK?

...Said our manager,
As she assigned
me the role
Of the foreigner...

KAE-
IDIOT!

We're currently running a special promotion! All of you couples out there visiting the park tonight will receive these limited-edition prizes!

Here you go!

Oh... There they are.....

But why'd you-

...Well, I guess it's the least I could do after you helped me out with that assignment....

Hey, we don't know that! She might just be using that as a cover to hide her embarrassment!

It seems she had her eye on those premium items.

Oh, is that what it was? Nothing gets past you, Iris-sawa!

(That's women's intuition, right?)

Kaede's so old-fashioned, he won't even carry a cell-phone with him... so if something goes wrong, I'd need one of you guys to get in touch with him!

...Well, 'cause...

Hoping that comes from Mitsuki while sleeping in a TEACUP as a NIGHTMARE.

And what gave you the idea that none of us had nothing better to do than have you drag us along to shadow their every move?

...Well?

AND BESIDES...

Lady M The Editor AND S (Shouto) Part 4

Before closed doors with cotton and the person who wanted to say you do this

There won't be.

But the editor originally said there would only be four.

Maybe there should be roses made from the other four colors.

I will shut down without a woman's permission.

I'm the editor, so why do I doing last...

So now we have roses other than the four knights, as you all know...

So I didn't bring it with me.

The monthly issue of "ATSUKA" was really there.

It's not that it's not there.

There's definitely ONE person there! Let's who's there.

THE NEW COLOR ROSES ARE HERE! THE NEW COLOR ROSES ARE HERE!

Oh, so you say there are?

YES, THERE ARE.

Are there going to be other colored roses?

They brought a lot of different colors of roses to use as props for the photo shoot.

When are they...

(Drawn CD) (you are not)

Now, what colors should we come up with next?

Thanks to the support of readers like you!

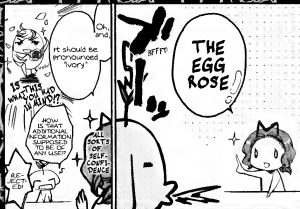

Meh, well, I wanted more of 'em anyway.

So it's well that ends well, I guess.

Is that how it went?

Oh, I know!

ATOZAKI

■ Shouts here, celebrating her very first fourth volume! By some miracle I've been able to continue Berskiss all this time, and I couldn't be happier. It's all thanks to all of you who've supported me so far. Thank you all so much!

With this volume, all four of the knight ladies had their turn on the cover... It's kind of exciting... It was fun drawing the back cover featuring Araya and green is color for the first time.

I'm sure it's fairly clear to everyone by now so I probably don't need to expand on this note, but Berskiss isn't officially taken the plunge into the long-winded "artificial arc" storyline. Granted, Berskiss is supposed to be a "Cute Comedy" at its core (lol), but I'd be happy if you enjoyed the rather serious turn it takes, too. It kind of bugs me that there are so many things I want to draw that I can't always get around to, but I'll do the best with what I can!

Azula's casual wear this time around is inspired by ideas from J.M.-sane from Mikidale and M.S.-sane from Osmia. (Thanks!) Azula and the four knight ladies came from all of your cute fashion sense. (lol) Maybe I'll start drawing the other characters in their casual wear, too.

And with that said, see you all soon in volume 5!

Bye, bye!
